Grace,

You're welcome.

Our office is continuing to work on the Portland Harbor website, and we expect the update to be complete within an hour. Then you should find information about public comment, which is also included in the fact sheet that I sent to you and others at 10:44 this morning.

Regards,

Cindy

Hi Cindy,

Thanks again for arranging a call on the other timely topic of the moss study!

I didn't see an option for public comment on the link you shared--am I missing it? Thank you for clarifying!
